Sleepy Little Town

by D.M.P.

In a sleepy little town,
That could be mine or yours,
A dangerous threat
Lurks from behind closed doors.
In this sleepy little town,
The people seem kind,
But a harsh truth is that,
Evil aliens control their mind.
In this sleepy little town,
Everything seems just swell.
Children play in the yard,
While the adults get along well.
But in this sleepy little town,

Yeerks take over secretly.
Infesting all the people,
You see almost daily.
And in this sleepy little town,
Some Controllers pass,
As the normal folk,
Of any status, of any class.
From your doctor to the fireman,
To your best friend's brother,
A Controller could be anyone,
One can even be your mother!
So be alert and be aware,
Of the people that surround you.
And stay away from the Sharing,
Or you might be infested too!
Now don't get paranoid.
Just be cautious in your ways,
And be wary of the folk,
Who disappear every three days.
Because in any sleepy little town,
A dangerous threat could lurk.
And wrapped inside anyone's head,
Could be an evil Yeerk!

End
